

## The ABC's of Reserving Your Wedding Event Catering with Masterpiece Events

**A: Allow us to send you our menu choices.** . . here are some preliminaries to help you decide your choice of menu and to save you some time:

- Casual Day – Brunch or Light Hors d'oeuvres ends before 5pm  
Depending on the time, it may not require a full meal
- Casual Evening – Heavy Hors d'oeuvres – enough food to be considered a full meal but doesn't require 100% reserved guest seating/no place cards, food plentiful but served more casually than a dinner – sometimes stations
- Formal Dinner – Seated Served – Assigned Seating – Place Cards – Single or Dual Entrée Choices from RSVP's – less party time – more formal dinner time – Guests are served all Food
- Buffet Dinner – A compromise of Casual and Formal – Bride and Groom are Served – Guests are discharged by the Captain to serve themselves from a buffet. Advantages are guests choose entrée and portions. Still requires place cards/seating chart.

**NOTE:** Masterpiece Events has a special tradition for Buffet Dinners. The Salad is pre-set so all the guests start eating together. . .

Ask us for the menus that are appropriate for your wedding event and keep in mind that if you have the ceremony in the same room as the reception, (remember the rain plan) the turn time is significantly longer for a formal meal than hors d'oeuvres.

**B: Be sure to ask us for a quote based on your choices.** In order to make an informed decision you will probably want to come to our Food Studio for a Tasting. Once you receive a quote, you will know the day you attend the Tasting whether you wish to go forward with Masterpiece Events for your Catering.
